

Sailing St. Croix, US Virgin Islands : sunset sails

SUNSET SAILS

Time to relax and unwind after a long day of vacation. Let's go put the sun to bed, St. Croix style, on board one of our Sailing Sunset Charters. We invented sunset. Come see why! It is the most affordable way to get on the water and should not be missed.

What could be more romantic or incredible than being aboard a beautiful sailboat and watching the sun set into the Caribbean? You might even see the famous "green flash". Add our famous Pirates Rum Punch, tapas, and soft music and this is a trip of a lifetime.

Follow this up with a wonderful dinner at one of St. Croix's fine restaurants and you have an evening you will always remember.

Make this sunset sail even more incredible by saying, "I do" to the one you love, as the sun sinks into the Caribbean Ocean.

Remember, there is more to see from the water, and a charter on Zulu will be a memory that will last forever!

Zulu can accommodate 6 people so you can always bring friends and family to share this breathtaking experience.

Be sure to make it one of the things to do while enjoying your stay on St. Croix.
